A. MILPER message 25-070, FY25 Military Government Officer (38G) Direct Commission Selection Panel Announcement

1. This MILPER message will expire NLT 01 May 2026.
2. MILPER message 25-070 has been REVOKED.
3. The 38G Direct Commission Selection Panel, originally scheduled for 04-08 August 2025, has been suspended until further notice. In accordance with the Secretary of Defense's new directive titled "Army Transformation and Acquisition Reform" (published 30 APR 2025), the Army is undertaking significant measures to enhance operational effectiveness by eliminating programs that do not directly contribute to lethality or mission success. In alignment with these priorities, the 38G Area of Concentration (AOC) and 38G Direct Commission Program (DCP) are being reviewed to ensure they support the Army's strategic goals under this transformation effort. This suspension reflects our commitment to aligning personnel decisions with the Army's broader objectives and reform initiatives.
